## From the Pastor

### New Birth!

Spring is just around the corner and it is always a great reminder of rebirth. After months of things being dead (or dormant), warmer temperatures and life-giving water will bring back the colors of life! It amazes me how God has designed everything in nature to be a reminder and picture of His glorious design. We have been studying the Gospel of John since the beginning of the year and we are starting chapter 3 this week. How perfectly fitting it is for us to study this chapter on new birth as we watch the world around us go through it. Jesus tells in His conversation with Nicodemus that the only way for man to see the Kingdom of God is for man to be reborn. This spiritual rebirth is the picture of life change that comes through the true understanding of salvation and regeneration. Praise God that we who once were dead in our sin have been brought to life through Christ! As spring begins and nature starts to blossom, let it remind us of God's wonderful grace to us for rebirth!

"Therefore, if anyone is in Christ, he is a new creation. The old has passed away; behold, the new has come."  
2 Corinthians 5:17.
